

I'm Deranged
David Bowie

G **Cm**
Funny how secrets travel on
Ab
I d start to believe
Fm
if I were to bleed
G **Cm**
Thin skies, the man chains his hands held high
Ab
Cruise me blond
Fm
Cruise me babe
G **Cm**
A blond belief beyond beyond beyond
Ab **Fm**
No return No return

G **Cm**
I m deranged
Ab
Deranged my love
Fm
I m deranged down down down
So cruise me babe cruise me baby

And the rain sets in
It s the angel-man
I m deranged

Cruise me cruise me cruise me babe

The clutch of life and the fist of love
Over your head
Big deal Salaam
Be real deranged Salaam
Before we reel
I m deranged

Cruise me cruise me cruise me babe
I m deranged
