Oh my love, Janine, I m helpless for your smile

E E7 A G D

Like a Polish wanderer I travel onwards to your land

A G F#m

And were it not just for the jewels I d close your hand

Your strange demand to collocate my mind

Scares me into gloom, you re too intense

I ll have to keep you in your place

I ve no defence, I ve got to keep my veil on my face

CHORUS:

D D/C G C G  
Janine, Janine, you d like to know me well

C G F C  
But I ve got things inside my head that even I can t face

D D/C G C G  
Janine, Janine, you d like to crash my walls

C G F C  
But if you take an axe to me you ll kill another man

D C G C D D C G C D  
Not me at all

You re fey, Janine, a tripper to the last

But if I catch you standing on my toes

I ll have a right to shout you down

For you re a lazy stream, in which my thoughts would drown

So stay, Janine, and we can glide along

I ve caught your wings for laughs

I m not obliged to read you statements of the year

So take your glasses off and don t act so sincere

CHORUS

D C G C D (repeat and ad lib)
