E **Ebm** **F#** **F#7**
It s pictured on the arms of the karma man

Fairy tale skin depicting scenes from human zoos
Impermanent toys like peace and war, a gentle face you ve seen before.
Karma man tattooed on your side the wheel of life
I see my times and who I ve been I only live (dig?) now and I don t know why

I struggle hard to take these pictures in, but
All my friends can see its just the pinkness of his skin

Slow down, slow down
Someone must have said, let s slow him down (x2)

Outro (uncertain) **B G#m E B**
