E

You know who I am, he said

D A

The speaker was an angel

F#m

He coughed and shook his crumpled wings

C

Closed his eyes and moved his lips

G

It s time we should be going

E

(Waiting so long, I ve been waiting so, waiting so)

D A

Look back in anger, driven by the night

F#m

Till you come

E

(Waiting so long, I ve been waiting so, waiting so)

D A

Look back in anger, see it in my eyes

F#m C G

Till you come

E D A F#m E D A F#m

C

No one seemed to hear him

So he leafed through a magazine

G

And, yawning, rubbed the sleep away

Very sane he seemed to me

E

(Waiting so long, I ve been waiting so, waiting so)

D A

Look back in anger, driven by the night

F#m

Till you come
