MEMORY OF A FREE FESTIVAL from Space Oddity

INTRO: **F G C F G**  
**F G C F G C**  
**C F C G Dm7**  
**G Dm7 G Dm7**

**G** **Dm7**  
The Children of the summer s end  
**Em** **Am**  
Gathered in the dampened grass  
**Bm** **Bb**  
We played Our songs and felt the London sky  
**C** **G**  
Resting on our hands it was God s land  
**C** **G** **Dm7**  
It was ragged and naive it was Heaven

**G** **Dm7**  
Touch, We touched the very soul  
**Em** **Am**  
Of holding each and every life  
**Bm** **Bb**  
We claimed the very source of joy ran through  
**C** **G**  
It didn t, but it seemed that way  
**C** **G Eb C**  
I kissed a lot of people that day

**C** **Em**  
Oh, to capture just one drop  
**C7** **Am7** **F**  
Of all the ecstasy that swept that afternoon  
**G** **F** **C**  
To paint that love upon a white balloon  
**Em** **C7**  
And fly it from the toppest top of all the tops  
**Am7** **F**  
That man has pushed beyond his brain  
**G** **F** **C**  
Satori must be something just the same

**D** **Dmaj7**

We scanned the skies with rainbow eyes

**D7**

**D6**

**G6**

And saw machines of every shape and size

**A**

**G**

**D**

We talked with tall Venusians passing through

**Dmaj7**

And Peter tried to climb aboard

**D7**

**D6**

But the Captain shook his head

**G6**

And away they soared

**A**

**G**

**D**

Climbing through the ivory vibrant cloud

**A**

**G**

**D**

Someone passed some bliss among the crowd

**A**

**G**

And We walked back to the road, unchained

#### WEIRD BIT

**D**                    **C**                    **G**                    **D**

The sun machine is coming down, and we re gonna have a party, ah ah ah

**D**                    **C**                    **G**                    **D**

The sun machine is coming down, and we re gonna have a party, ah ah ah

**D**                    **C**                    **G**                    **D**

The sun machine is coming down, and we re gonna have a party, ah ah ah

**D**                    **C**                    **G**                    **D**

The sun machine is coming down, and we re gonna have a party, ah ah ah

Repeat until fade out...
