

Rock'n Roll Suicide
David Bowie

[Intro] Bb F Bb F

Time takes a cigarette puts it in your mouth
You pull on your finger, then another finger, then your cigarette
The wall to wall is calling it lingers, then you forget
Oh you re a rock n roll suicide
You re too old to lose it too young to choose it
And the clock waits so patiently on your song
You walk past a cafe but you don t eat when you lived too long
Oh no no no you re a rock n roll suicide
Chev brakes are snarling as you stumble across the road
But the day breaks instead so you hurry home
Don t let the sun blast your shadow
Don t let the milk floats ride your mind
You re so natural religiously unkind
Oh no love you re not alone
You re watching yourself but you re too unfair
You got your head all tangled but if I could only make you care
Oh no love you re not alone
No matter what or who you ve been
No matter when or where you ve seen
All the knives to lacerate your brain
I ve had my share I ll help you with the pain you re not alone
Just turn on with me and you re
