

Rock'n Roll Suicide

David Bowie

[Intro] B F# B F#

Time takes a cigarette puts it in your mouth  
You pull on your finger, then another finger, then your cigarette  
The wall to wall is calling it lingers, then you forget  
Oh you re a rock n roll suicide  
You re too old to lose it too young to choose it  
And the clock waits so patiently on your song  
You walk past a cafe but you don t eat when you lived too long  
Oh no no no you re a rock n roll suicide  
Chev brakes are snarling as you stumble across the road  
But the day breaks instead so you hurry home  
Don t let the sun blast your shadow  
Don t let the milk floats ride your mind  
You re so natural religiously unkind  
Oh no love you re not alone  
You re watching yourself but you re too unfair  
You got your head all tangled but if I could only make you care  
Oh no love you re not alone  
No matter what or who you ve been  
No matter when or where you ve seen  
All the knives to lacerate your brain  
I ve had my share I ll help you with the pain you re not alone  
Just turn on with me and you re

Not alone                      let s turn on me and be

You re not alone    gimme your hands

You re wonderful    gimme your hands

You re wonderful    gimme your hands
