He s the Shadow Man

And the Shadow Man is close at hand
E **A** **C#m**
Take a turn and see his smile
 A **E**
Made of nothing but loneliness
 E **G#m**
take a Boy and be a friend
 B
To the Shadow Man

A **G#m**
You can call him Joe, you can call him Sam
 C#m **B**
You should call and see who answers
 E **G#m** **B** **A** **G#m** **F#m**
For he promises to come running, guided by the truth

But the Shadow Man is really you

B **E**
Look into his eyes and see your reflection
A **F#m**
Look to the stars and see his eyes
 B **A**

He ll show you tomorrow, he ll show you the sorrows

G#m **B**

Of what you did today

A **E**

You can call him foe, you can call him friend

C#m **G#m**

You should call and see who answers

E **G#m** **B**

For he knows your eyes are drawn

F#m **B**

To the road ahead

A **E**

And the Shadow Man is waiting round the bend

(Fade out on **A** & **E**)

Oh, shadow man

Shadow man, shadow man

It s really you, it s really you, it s really you

He s the shadow man
