G9
   This week dragged past me so slowly
       A9
   The days fell on their knees.
C9
   Maybe I`ll take something to help me;
F9
   hope someone takes after me.
   G9
   I guess their`s always a change in the weather.
   A9
   This time I know we could get it together.
   C9
   If I did casually mention tonight,
F9
   that would be crazy tonight.

   Am9
   Stay._____ That`s what I meant to say_
   Fmaj9
   or do something.
                          E7sus4
   But what I never say is   stay this time.
                               E7
   I really meant to so bad ly this time.
   Fmaj9                              G9
   Cause you can never really tell  when somebody
                   Em9/A                    G9      G9
   wants something you want too._____

   G9
   Heart wrecker, heart wrecker, make me delight.
   A9
   Night is so vague when it brings someone new.
   C9
   This time tomorrow I`ll know what to do.
F9
   I know it`s happened to you.
