

The Stars (Are Out Tonight)

David Bowie

F#m **D**
Uh Uh Uh Uh (2x) Stars are never sleeping

F#m **D**
Uh Uh Uh Uh (2x) Dead ones and the living

F#m **D**
We live closer to the earth and nearer to the heavens

F#m **D**
The stars are never far away and the stars are out tonight

F#m **D**
They watch us from behind their shades, Bridgitte, Jack and Kate and Brad

F#m **D**
From behind their tinted window stretch, gleaming like blackened sunshine

F#m **D**
Uh Uh Uh Uh (2x) Stars are never sleeping

F#m **D**
Uh Uh Uh Uh (2x) Dead ones and the living

F#m **D**
Waiting for the first move, satyrs and their child wives

F#m **D**
Waiting for the last move, soaking up our primitive world

F#m **D**
Uh Uh Uh Uh (2x) Stars are never sleeping

F#m **D**
Uh Uh Uh Uh (2x) Dead ones and the living

(Refrão)

E **D**
Their jealousy's spilling down, the stars must stick together

F#m **D**
We will never be rid of the stars, but I hope they live forever

E **D**
And they know just what we do, what we toss and turned at night

F#m **D** **F#m** **D**
They're waiting to make their moves, But the stars are out tonight

F#m **D**
Here they are upon the stairs, sexless and unaroused

F#m
They are the stars, they're dying for you

D (**F#m** **E** **D** **C#**) **D** **F#m** **D**
But I hope they live forever

F#m
They burn you with their radiant smiles and

D

Trap you with their beautiful eyes

F#m

They're broke and shamed or drunk or scared

D

But I hope they live forever
