C Dm

Young American, young American

she wants the young American

F G

It s all right-but she wants the young American

Scanning life thru the picture window

She finds the slinky vagabond

He coughs as he passes her Ford Mustang

Heaven forbid she ll take anything

But the freak and his type-all for nothing

Misses a step and cuts his hand

Showing nothing he swoops like a song

She cries where have all papa s heroes gone?

All night-she want s the young American

Young American, young American

```
she wants the young American
It s all right-but she wants the young American
All the way from Washington
He breadwinner begs of the bathroom floor
Live for just these twenty years
Do we have to die for the fifty more?
All night-he want s the young American
Young American, young American
he wants the young American
It s all right-but he wants the young American...
(Am G F G)
                G
                        C
Am
Do you remember your President Nixon?
So you remember the bills you have to pay
or even yesterday?
(DGGDA)
Have you been the un-American
Just you and your id singing falsetto bout
leather, leather everywhere and
not a myth left from the Ghetto
Well, well, well would you carry a razor?
In case, just in case of depression
Sit on your hands on a bus of survivors
Blushing at all the afro-sheeners
Ain t that close to love?
Well ain t that poster love?
Well it ain t that brbie doll
```

Her hearts have been broken just like you

G A

All night-you want the young American ${\bf D}$

)

Young American, young American

you want the young American

G A

It s all right-you want the young American

You ain t a pimp and you ain t a hustler

Pimps got a Caddy-lady got a Chrysler

Black s got respect-white s got his soul train

Mama s got cramps and look at your hands hey

I heard the news today, oh boy

I got-suite and you got defeat

Ain t there a man-who could say no more

Ain t there a woman-I can sock on the jaw

Ain t there a child-I can hold without judging

Ain t there a pen-that will write before they die

Ain t you proud-that you ve still got faces

and ain t there one *** song that can make me

break down and cry...

All night-I want the young American

Young American, young American

I want the young American

It s all right-I want the young American
