David Brent

Slough.

Originally I did this from Learn Guitar with David Brent ,
and it s tuned a full step down (DGCFAD) if you want to play along
with the Brentmeister General.

And the studio demo on SoundCloud is in standard tuning (EADGBE)

Am7 - 002010

Emaad2/F# - 222000 (use as a slide transition to the G chord)

Cadd9 - x30030

Cmaj9/E - 020010

Am7/E - 002010

Eadd4addb2 - 0-0-9-10-9-0 (Also known as The Twat Chord. Not played in this
song,
but feel free to add it in at any opportunity possible)

Intro

Am7 (with a hammer onto the B string)

G

D

Verse

Em Emadd2/F# G

More convenient than a Tescos express

D **Cadd9**

Close to Windsor but the properties less

PreChorus
