C F G C

I know I can t keep living this way
Being broke from day to day
I ve got to stop this running around
Get a job and settle down
Oh but I like to sleep late in the morning
I don t like to wear no shoes
Make love to the women while I m livin
Get drunk on a bottle of booze

I know this can t go on
Guess I should get up at dawn
Get a job and do it right
Be in bed by eight each night

Hey but I like to sleep late in the morning
I don t like to wear no shoes
Make love to the women while I m living
Get drunk on a bottle of booze

(At this part of the song just play the chords as you would during the verses and choruses)

Pick it David...fingers do your stuff.....

Hey I know you got a job that s waiting for me Straight is how it should be
I ll be smilin all the time down

Get my haircut and my sneakers shined
Oh but I like to sleep late in the morning
I don't like to wear no shoes
Make love to the women while I'm livin'
Get drunk on a bottle of booze

Some gal told me today
She said David you're wastin' your life away
She said it's bad how you spend your time
Son you'll never make a dime
Oh but I like to sleep late in the morning
I don't like to wear no shoes
Make love to the women while I'm livin'
Get drunk on a bottle of booze
