By David Byrne

Tabs by P(?)NYB(?)Y

capo 9th fret for original key

INTRO

G G

G G

The dimming of the light makes the picture clearer

G

It s just an old photograph

G D

There s nothing to hide

C

G

when the world was just beginning

I memorized a face so it s not forgotten

I hear the wind whistlin

Come back anytime

And we ll mix our lives together

Chorus 1

C

G

Heaven knows- what keeps mankind alive

C

G

Ev ry hand- goes searching for its partner

D

C

G

In crime- under chairs and behind tables

D

C

G

Connecting- to places we have known

Bridge

(I m looking for a)

G

Home- where the wheels are turning

G

Home- why I keep returning

D

C

G

Home- where my world is breaking in two

G

Home- with the neighbors fighting

G

Home- always so exciting

D

C

G

Home- were my parents telling the truth?

C

Home- such a funny feeling

G

Home- no-one ever speaking

**C**

Home- with our bodies touching

**G**

Home- and the cam ras watching

**D** **C** **G**

Home- will infect what ever you do

**D** **C** **G**

We re Home- comes to life from outa the blue

**G** **G**

Tiny little boats on a beach at sunset

**G**

I took a drink from a jar

**G** **D**

& into my head

**C** **G**

familiar smells and flavors

Vehicles are stuck on the plains of heaven

I see their wheels spinning round

& ev rywhere

I can hear those people saying

Chorus 2

That the eye- is the measure of the man

You can fly- from the stuff that still surrounds you

We re home- and the band keeps marchin on

Connecting- to ev ry living soul

**D** **C** **G**

Compassion- for things I ll never know

**G** **G**
