

Lucky Guy
David Choi

Ok so this is my first tab, things will be wrong I m sorry. I don t know how to do all f
his cool guitar and piano solos so don t ask. I play the song with the capo on the 4th
fret and it sounds relatively similar to his version. Enjoy :D
Oh and i t the same all the way through the song until you get to the last chorus where
it changes slightly I m not sure how though.

Em **C**

It s been so long since I ve met someone

Am **D**

That makes me feel this way

Em **C**

Makes me smile, and that s hard to do

Am **D**

I don t think it s something you realize you do

Em **Am**

You make me feel

C **D** **Em**

Like I m the only guy

F

With you in the world

G

But we can t be together

Em

Can t really be friends

Am

We can t be lovers

C

And we can t pretend

Em

Oh that boy in your life

Am

Better make you his wife

C

G

And he better believe he s a lucky guy

You wanted a song well here s one for you

Nobody will know except for us two

Don t ask me about it

Cuz I won t tell the truth

Just know that there s someone

Thinking of you

You make me feel

Something I wish wasn t real at all

Chorus

You were never mine to begin with...

So we can t be together

Can t really be friends

We can t be lovers

And we can t pretend

Oh that boy in your life

Better make you his wife

And he better believe he s a lucky guy
