We re going to the beach today  
We re gonna laugh and sing our cares away  
The sun is shining on our face  
We can take it in, and let it out and say

I do enjoy my time with you (babababa~)  
Making the best of everything we do  
We re gonna try out something new  
And we ll make it out before the day is through

And now the sun has said goodnight  
Just want to say I had a real good time  
I think I really feel alright (Alright~)  
I don t ever ever wanna say goodbye
