

[Verse 2]

**C**

They talk about the things that they see

**Am**

So convinced in what they believe

**Em**

Just my rollercoaster and me

[Verse 3]

**C**

All the letters in sealed envelopes

**Am**

Someday I ll watch all the secrets float

**Em**

In the air, down to the floor

[Pre-Chorus]

**Fm**

**Fm**

Bring on the fire, take me through water

**G**

**G**

I m in this alone, it s just getting hotter

[Chorus]

**Am**

**A**

It s not the first, sure hell ain t the last

**Dm**

I go back around again

**Fm**

Red, yellow, green, lights flash

**Am**

**A**

Everyone s watching, from the ground below

**Dm**

**Fm**

They don t know what s going on, but I know

[Bridge]

**Am**

Some are just well oiled machines

**A**

But there ain t no net under these beams

**F**

**Fm**

Just zipping through the loop de loop de loop

[Chorus]

**Am** **A**  
It s not the first, sure hell ain t the last

**Dm**  
I go back around again

**Fm**  
Red, yellow, green, lights flash

**Am** **A**  
Everyone s watching, from the ground below

**Dm** **Fm**  
They don t know what s going on, but I know

**C**  
Sitting solo wind on my face

**Am**  
Don t know if the coaster is safe

**Em** **G**  
I smile, or I try
