Verse:

**G**

After all these years

**C9** **Dsus4-D-Dsus2-D**

After all these tears between us

**G**

Still I couldn t find

**C9** **Dsus4-D-Dsus2-D**

Someone half as right as you

**Am** **C**

And each time I stop to think

**Am** **D**

What it is I really need

**G**

Here s what I conclude

**F#/D** **C9** **G**

All I really need is you

**G** **F#/D**

Just say what you want to say

**C9** **D**

You don t have a chance in the world

**G** **F#/D**

Can I, knowing how I ve tried

**C9**

Still come close to losing you, girl

**D**

When you are my world

**G** **F#/D**

Have I spent so many nights

**Bm** **C9** **D**

Trying but in vain to tell you

**G**

Don t you know it s true

**F#/D** **C9** **G**

All I really need is you
