

## Always Be My Baby

David Cook

**F#m**

we were as one babe

**Bm**

for a moment in time

**G#**

and it seemed everlasting

**Bm** **C#**

that you would always be mine

**F#m**

now you want to be free

**Bm**

so Iâ€™m letting you fly

**G#**

cause i know in my heart babe

**Bm** **C#**

our love will never die,no!

**F#m**

youâ€™ll always be a part of me

**Bm**

iâ€™m a part of you indefinitely

**G#**

girl donâ€™t you know you canâ€™t escape me

**Bm** **C#m**

ooh darling cause youâ€™ll always be my baby

**F#m**

and weâ€™ll linger on

**Bm**

time canâ€™t erase a feeling this strong

**G#**

no way youâ€™re never gonna shake me

**Bm** **C#m**

ooh darling cause youâ€™ll always be my baby

same with the next verse..

and then refrain:

**C#m**

i know that youâ€™ll be back boy

**G#m**

when your days and your nights get a little bit colder ooohhh

**C#m**

i know that,youâ€™ll be right back, baby

**G#m**

oh, baby believe me itâ€™s only a matter of time  
of time
