

Better Never Than Late Optimistic To A Fault
David Cook

From what I can determine, these are correct. If not, they re extremely close.
If
you have any corrections, feel free to tweet me. :) @SwitzerSweet

G#m **B**
Any second I would sing you to sleep
E **F#**
With kind words in mind and hearts on the sleeve
G#m **B** **E** **F#**
Leave nothing to chance and everything behind
G#m **B**
Second chances pave the way to broken hearts
E **B** **F#**
This is the moment where I tell you that I m falling apart
G#m **B** **E** **F#**
And I m stuck in reverse between the same damn lies

G#m **B** **E** **F#** **E**
Oh no, there I go, optimistic to a fault
F# **E** **F#**
Go home, you can never go again
B **G#m** **F#**
When anything at all is anything but you
E
I want nothing my dear
B
This always ends in tears
G#m
You were my everything in all
F#
And now my everywhere but here
E **G#m**
This always ends in tears

G#m **B**
Second chances pave the way to broken hearts
E **B** **F#**
This is the moment where I tell you that I m falling apart
G#m **B** **E** **F#**
And I m stuck in reverse between the same damn lies
G#m **B** **E**

We re tossing pennies, making wishes to make it right

B F#

Another lonely day another lonely night

G#m B E F#

And I would give anything if you would only pick up the phone

G#m B E F# E

Oh no, there I go, optimistic to a fault

F# E F#

Go home, you can never go again

B G#m F#

When anything at all is anything but you

E

I want nothing my dear

B

This always ends in tears

G#m

You were my everything in all

F#

And now my everywhere but here

E G#m

This always ends in tears
