Verse 1:
Em7   **D/G**   **G**   **Cadd9**

I need you with me to push it away

Pre chorus:

When we disappear into each other

Our colors appear and bleed into one

Chorus:

Fade into me, fade into you
                   Em7

Until we become something new
            D/G
And we can escape
