Verse:

**F#m-G#m** **F#m-G#m**  
I got a happy trigger finger  
**E**  
And I know not to let it linger  
**C#**  
This moment is potent  
**F#m-G#m**  
cause I m feeling a transition  
**F#m-G#m** **E**  
From the city of tradition  
**C#**  
One action: reaction

Chorus:

**G#m** **F#m**  
Has it been that long since you opened up your eyes  
**E**  
To look out below  
**C#**  
cause it ll hit you when you re not watching  
**G#m** **F#m** **E**  
I don t know why you won t let go  
**C#**  
So let go

Verse:

(same as the first verse)  
A release of some proportion  
The event is set in motion  
This white line is defined  
So take your hands away from my eyes  
cause you can t escape the sunrise  
One action: (reaction)

CHORUS!!!!

on the solo part do the chords in verse....

after the solo part do another chorus and then its done...
