

And all that I wanted is out of my hands

Out of my hands

Bridge

When your smile becomes the reason I breathe

And your eyes become the motive to see

then all that I can say

Chorus 3

Is she's my last request

Everything else is suddenly taken over

And I'm my own regret

And all that I wanted is out of my hands

Out of my Hands

Outro

She's my last request

And all that I wanted is out of my hands
