Intro: Part 2

Db **F** **F#** do this twice

Verse

Db

i ve got questions for you, you ve got answers untrue

F#

i can walk these circles all night long

Db

take a pill and sleep off, everything you can think of

F#

walking all these circles to a song

Ab(palm muted)

F slide to **F#**

could you play me something new

Chorus

Db **F** **F#** **Db**
so take a minute just to breathe and think of everything you wanted

F **F#**
and what you got instead

Db **F** **F#** **Db**
is it a labor just to see, around the left, the right, over my head

F **F#**
just straight ahead

Verse2 Play the same as the first verse

find a new way to feel right between this time a fistfight
i can read the circles round your eyes
this is life, this is no rhyme, find a beat, find the right time
to organize the circles to a song, could you play me something new

Chorus same as first

So take a minute just to breathe and think of everything you wanted
and what you got instead
is it a labor just to see, around the left, the right, over my head

Add-in
