

The Last Goodbye

David Cook

D
If you hear this on the radio
Bm **G**
Then we've already said our last goodbye

I won't be there when you get home
A **D**
By now there's someone else that hears you cry

D **Bm**
I wonder if he holds you like I did
G
I hope that he can love you better
A
Cause we were everything that's right at the wrong time

Chorus:

D
I didn't want to lose you
Bm
Leave you with a broken heart
G
But wherever we are, we're miles apart
A
I know that we tried, but this is the last goodbye
D **Bm**
Oh, I didn't want to let you go
G
But wherever we are, we're miles apart
A
I know that we tried, but this is the last goodbye

D
We were almost beautiful
Bm **G**
A broken piece of art put on display

But we were never possible
A **D**
Another perfect moment thrown away

D **Bm**
I know somebody out there will love you
G
They'll be the forever we never were

A

Cause we were everything that s right at the wrong time

Chorus:

D

I didn t want to lose you

Leave you with a broken heart
