

**Too Many Tears**  
**David Coverdale**

Too Many Tears  
(coverdale/vandenberg)

Corrected by Guga Fabbro

Standard Tuning

| **Am7** | **C** **G** | x4

**Am7** **C** **G**  
I used to be the man for you,  
Did everything you wanted me to,  
So, tell me, baby, where did I go  
wrong...

I told you what you wanted to know,  
Precious secrets never spoken before.  
All Iâ€™m asking, Where did I go  
wrong...

**F** **C** **G**  
Some things are better left unsaid,  
**F** **C** **G**  
But, all I do is cry instead,  
**Am**  
Now, Iâ€™ve cried me a river,  
**F** **G**  
Thinking how it used to be...

Chorus

/  
| **C** **F** **C**  
| Thereâ€™ve been too many tears falling,  
| **C** **F**  
| And thereâ€™ve been too many hearts  
| **C**  
| Breaking in two.  
| **G** **Am** **Dm**  
| Remember what we had together,  
| **C** **F** **G**  
| Believing it would last forever.  
| **Am7** **C** **G**  
| So, tell me, baby, Where did I go  
| **Am7** **C** **G**  
| wrong...  
\

Everything I had was yours,  
More than I have ever given before,  
So, wonâ€™t you tell me Did I hurt you so  
bad...

I guess Iâ€™m fooling myself,  
â€™cause I want you and no one else.  
And I canâ€™t understand  
Why youâ€™re doing these things to me...

Chorus
