David Crosby          Distance          written by David Crosby

**Eb                      G#maj7**  
You know what I miss  
**Eb                      G#maj7**  
Small things like textures and flavors  
**Eb                      G#maj7**  
How close to her they use to feel  
                 **Cm                      Bb                      G#**  
Till this distance came in our lives  
**Cm   Cm add F Cm                      Bb                      C#**  
Distance          came in our lives  
**G#                                      Bb**  
Always happens when you re trying to    get next to someone  
                 **F                                      F#**  
When you want to reach    her heart  
**Eb                      G#maj7**  
You can not close enough  
**Eb                      G#maj7**  
To start talking  
**Eb                                      G#maj7**  
Talking straight to one another  
  
**Cm   Bb   G#          Cm Bb C#**

**Eb                      G#maj7**  
Do you remember  
**Eb                                      G#maj7**  
The things you use to write    on the dashboard in the dust  
**Eb                                      G#maj7**  
And they way we never    never  
**Eb                                      G#maj7**  
We never thought this    car would    rust  
                 **Cm                                      Bb                      G#**  
Till this distance came in our lives  
**Cm   Cm add F Cm                      Bb                      C#**
