**C                                  Fmaj7**  
You know what I miss  
**C                                  Fmaj7**  
Small things like textures and flavors  
**C                                  Fmaj7**  
How close to her they use to feel  
**Am                                  G                  F**  
Till this distance came in our lives  
**Am Am add D Am                  G                  Bb**  
Distance          came in our lives  
**F                                  G**  
Always happens when you re trying to    get next to someone  
**D                                  Eb**  
When you want to reach    her heart  
**C                                  Fmaj7**

And they way we never    never
