Look around again

G#m **D** **A** **C#m**

It s the same old circle You see

A **E** **G#m**

it s got to be

C#m **B** **A**

It says right here on page 43

E **F#m** **G#m** **A**

That you should grab a hold of it

Bm **C#m** **D**

Else you ll find

E

It s passed you by

Rainbows all around

Can you find the silver and gold?

It ll make you old

The river can be hot or cold

And you should dive right into it

Else you ll find

It s passed you by

Pass it round one more time

I think I ll have a swallow of wine

Life is fine

Even with the ups and downs

And you should have a sip of it

Else you ll find

It s passed you by
