David Crosby Through Your Hands written by John Hiatt

[tab]**E** **A**
You were dreaming on a park bench[/tab]
[tab]**E** **A**
About a broad highway somewhere[/tab]
[tab]**E** **A**
Where the music from the carillon[/tab]
[tab] **E** **A**
Seemed to hurl your heart out there[/tab]
[tab]**E** **A**
Past the scientific darkness[/tab]
[tab]**E** **A**
Past the fireflies that float[/tab]
[tab] **E** **A**
To an angel bending down[/tab]
[tab] **E** **A**
To wrap you in her warmest cloak and you ask[/tab]

What am I not doing
[tab] **G#m**
She says your voice cannot command[/tab]
[tab] **F#m**
She says in time you will move mountains[/tab]
[tab] **B** **E** **A** **E** **A**
And it will come through your hands[/tab]
[tab]**E** **A**
Still your angle for an option[/tab]
[tab] **E** **A**
Still you argue for your case[/tab]
[tab] **E** **A**
Like you wouldn t know a burning bush[/tab]
[tab] **E** **A**
Till it blew up in your face[/tab]
[tab] **E** **A**
We dream about the future[/tab]
[tab] **E** **A**

We memorize the past[/tab]

[tab] **E** **A**

When just a simple reaching out[/tab]

[tab] **E** **A**

Could build a bridge that lasts[/tab]

And you ask what am I not doing

[tab] **G#m**

She says your voice cannot command[/tab]

[tab] **F#m**

She says in time you will move mountains[/tab]

[tab] **B** **E** **A** **E** **A**

And it will come through your hands[/tab]

SOLO

[tab]**E** **A**

So whatever your hands find to do[/tab]

[tab] **E** **A**

You must do with all your heart[/tab]

[tab] **E** **A**

There are thoughts enough to blow men s minds[/tab]

[tab] **E** **A**

And tear great worlds apart[/tab]

[tab] **E** **A**

There s a healing touch to find you[/tab]

[tab] **E** **A**

Out on the broad highway somewhere[/tab]

[tab] **E** **A**

Gonna lift you as high as music[/tab]

[tab]**E** **A**

Running thru an angels hair[/tab]

[tab]**A**

And don t worry what you are not doing[/tab]

[tab] **G#m**

Cause your voice cannot command[/tab]

[tab] **F#m**

She says in time you will move mountains[/tab]

[tab] **B** **E** **A** **E** **A**

And it will come through your hands[/tab]
