David Crosby Through Your Hands written by John Hiatt

[tab]E A
You were dreaming on a park bench[/tab]
[tab]E A
About a broad highway somewhere[/tab]
[tab]E A
Where the music from the carillon[/tab]
[tab] E A
Seemed to hurl your heart out there[/tab]
[tab]E A
Past the scientific darkness[/tab]
[tab]E A
Past the fireflies that float[/tab]
[tab] E A
To an angel bending down[/tab]
[tab] E A
To wrap you in her warmest cloak and you ask[/tab]

What am I not doing
[tab] G#m
She says your voice cannot command[/tab]
[tab] F#m
She says in time you will move mountains[/tab]
[tab] B E A E A
And it will come through your hands[/tab]
[tab]E A
Still your angle for an option[/tab]
[tab] E A
Still you argue for your case[/tab]
[tab] E A
Like you wouldn t know a burning bush[/tab]
[tab] E A
Till it blew up in your face[/tab]
[tab] E A
We dream about the future[/tab]
[tab] E A

We memorize the past[/tab]

[tab] E A

When just a simple reaching out[/tab]

[tab] E A

Could build a bridge that lasts[/tab]

And you ask what am I not doing

[tab] G#m

She says your voice cannot command[/tab]

[tab] F#m

She says in time you will move mountains[/tab]

[tab] B E A E A

And it will come through your hands[/tab]

SOLO

[tab]E A

So whatever your hands find to do[/tab]

[tab] E A

You must do with all your heart[/tab]

[tab] E A

There are thoughts enough to blow men s minds[/tab]

[tab] E A

And tear great worlds apart[/tab]

[tab] E A

There s a healing touch to find you[/tab]

[tab] E A

Out on the broad highway somewhere[/tab]

[tab] E A

Gonna lift you as high as music[/tab]

[tab]E A

Running thru an angels hair[/tab]

[tab]A

And don t worry what you are not doing[/tab]

[tab] G#m

Cause your voice cannot command[/tab]

[tab] F#m

She says in time you will move mountains[/tab]

[tab] B E A E A

And it will come through your hands[/tab]
