"So you think we should just sit here

And have another glass of wine

While the world goes to hell

Which you know damn well it s going to do just down the line?"

And his lady said "I dunno, how can you be so sure

I mean, some things seem to get better

The hero still saves the damsel in distress
 The villan doesn t get her"
 And I said "Where have you been living?
 I mean they re selling death in the streets, cheap
 And the lying politicians are rolling in the profits they reap"
 He said "He s right honey, but I think it s always been that way"
 And he smiled kind of patiently and I knew he was going to say

I think we re passing through here kind of fast
 Did you think these tracks in the dust would last?
 I think we re passing through here kind of fast
 Did you think these tracks in the dust would last?
 [tab]**G** **AaddD** **Bm7** (N.C.) **E6+9**
