A Beautiful Collision

Capo 3

The capo is always optional but I recommend it. Experiment :)

Verses:

Em C Em C

Chorus:

G D/F# Em C

Bridge/Interlude:

Em C Em C

I am positive that this is pretty much 100% correct. We do this exact same chord
in my church youth group and it sounds great. We don't use a capo for the song
but I think it
better with one.
