A Beautiful Collision  
David Crowder Band

Capo 3

The capo is always optional but I recommend it. Experiment :)

Verses:

**Em C Em C**

Chorus:

**G D/F# Em C**

Bridge/Interlude:

**Em C Em C**

I am positive that this is pretty much 100% correct. We do this exact same chord in my church youth group and it sounds great. We don't use a capo for the song but I think it better with one.
