

Like A Lion

David Crowder*Band

These tabs have come close, but in the bridge the Abm (**G#m**) is actually a **B/Eb** which is played (069800) or like a **G/B** (x20033) if you play with a Capo on the 4th

fret. If you listen that Abm (**G#m**) doesn't fit that part of the song, so I felt

like I should submit this updated version. Thanks.
