Intro x2

Verse 2

Sometimes

Itâ€™s like weâ€™ll never atone

For all the love weâ€™ve known

Sometimes

Like in a smile or a song

When you feel it come

And that feelingâ€™s gone

It flies

Pre-Chorus 2

When weâ€™ve given up

Let Your healing come

When thereâ€™s nothing left

Let Your healing come

Feel it rising up

Let Your healing come

Where You go, we will follow

Where You go, we will follow

Chorus 2

Itâ€™s Your love that we adore

Itâ€™s like a sea without a shore

Weâ€™re lost in You

Weâ€™re lost in You

Itâ€™s Your love that we adore

Itâ€™s like a sea without a shore

Weâ€™re lost in You

Weâ€™re lost in You

Itâ€™s Your love that we adore

Itâ€™s like a sea without a shore

Weâ€™re lost in You

Weâ€™re lost in You

Itâ€™s Your love that we adore

Itâ€™s like a sea without a shore

Don't be afraid  
Don't be afraid

Just set your sail
