Welcome to the boomtown

Handsome Kevin got a little off track  
Took a year off of college  
And he never went back  
Now he smokes too much  
He's got a permanent hack  
Deals dope out of Denny's  
Keeps a table in the back  
He always listens to the ground  
Always listens to the ground

So I say  
I say welcome, welcome to the boomtown  
Pick a habit  
We got plenty to go around  
Welcome, welcome to the boomtown  
All that money makes such a succulent sound

Welcome to the boomtown
