

**At Your Door**  
**David Fonseca**

**F/C** **C/G**  
I feel tired, I feel undone  
**G** **F/C**  
I don't know what was I running from  
**F/C** **C/G**  
I woke up and I saw a face  
**G** **Am** **G** **F/C**  
For a moment I thought that you were someone else. Someone real  
**F/C** **C/G** **G** **F/C**  
I played a hero and played it tough. I did my best, I did enough  
**F/C** **C/G**  
I stretched my arms around the Sun  
**G** **Am** **G**  
But they can't find you in this wilderness of hope  
**F/C**  
Like I wish they did

( **C/G G C/G Am G** )

**C/G** **Am** **G**  
Now I'm standing at your door, will you take me in once more?  
**C/G** **Am** **G**  
Now I'm standing at your door, will you take me in once more?

**C/G** **G** **F/C**  
I feel calm and I feel safe. I'm all awake, unafraid  
**C/G**  
In the comfort of the dawn  
**G** **Am** **G** **F/C**  
All over the walls and rooftops of your town, I wrote your name

( **C/G G C/G Am G** )

**C/G** **Am** **G**  
Now I'm standing at your door, will you take me in once more?  
**C/G** **Am** **G**  
Now I'm standing at your door, will you take me in once more?  
**C/G** **Am** **G**  
As I'm standing at your door, as these tears begin to pour  
**C/G** **Am** **G**  
Now I'm back here at your door, will you take me in once more?

( **C/G Am G** )(2x)

**C/G** **Am** **G**  
Are you the one? Are you the one I've been waiting for?

**C/G**                      **Am**                      **G**  
Are you the one? Are you the one I ve been waiting for?

( **C/G Am G** )

**C/G**                      **Am**                      **G**  
Are you the one? Are you the one I ve been waiting for?
