

Broken (Well Fade Into It All)
David Fonseca

Intro: **E**

It s in your eyes

A

An absent stare that cries again

E

I don t know why

You take it out

A

You take it out on me again

C#m

And you fear that

A*

B*

C#m

When it breaks down, that I can t take the fall

A

I m already broken

B*

I m broken, you can t hurt me at all

(**E**)

A

So let it all come down now

E

Let it all pour down

Just let it go

A

Just throw it all on me now

C#m

You wanna drown me

A*

B*

C#m

You wanna show me, how your world feels

A

My world was already broken

B*

It was broken, before I let you in

(**E**)

A

So go ahead and burn me down

E

Just burn me down in the fire

A

The flames, the flames are getting higher

C#m

In the end

A* **B*** **C#m**

We ll lay and sleep, as the ashes fall

A

We, we will be broken

B*

Broken, we ll fade into it all

(**E**)
