

Do You Really Believe That Love Will Keep You From Getting Hurt?
David Fonseca

Intro 2x: **Em7(9) A7sus4**

Em7(9) **A7sus4**
You are tired, from all the golden coins you threw
Em7(9) **A7sus4**
In the well, that promised things it couldn't do
Em7(9) **A7sus4**
You have tried, to live by what your god has wrote
Em7(9) **A7sus4**
But those lines, they don't give you just what you hoped

Refrão:

Cadd9 **Em**
Do you really believe that love will keep you from getting hurt?
A7sus4 **Cadd9**
Because when you find the one, you'll open your heart and then
G **Em7**
Once it is opened, it'll take a little raindrop
A7sus4
To get it broken
Cadd9 **Dadd9**
And then you'll know what is hurting, you're hurting, you're
Em7(9) A7sus4
hurting

Em7(9) **A7sus4**
Days go by, and pile up crosses on your wall
Em7(9) **A7sus4**
Counting out, the hours that you wished for more
Em7(9) **A7sus4**
You're afraid, and you blame it all on yourself
Em7(9) **A7sus4**
As if guilt, will give you strength to keep it on
