I will disappoint you, and I don t care if I do
G Em7 Cadd9
I belong to those who got shattered, battered
Bruises and scars that I ve hid and you could never heal
G Em7 Cadd9 A7sus4
This grey house where I come from, some great love will tear it down
G Em7 Cadd9
You no longer love me, why should it matter?
A7sus4 Cadd9 Dadd9
Tell me why should it matter; I can t ask you to stay
Em9 Dadd9 Cadd9
