

Hold Still

David Fonseca

Intro: C G Em F C G Em F

C F G
In this little town
C F G
cars they don t slow down
F
The lonely people here
Em
They throw lonely stares
Dm
Into their lonely hearts

C F G
I watch the traffic lights
C F G
I drift on Christmas nights
F
I wanna set it straight
Em
I wanna make it right
Dm
But girl you re so far away

C Am G C
Oh, hold still for a moment and I ll find you
Am G F
I m so close, I m a small step behind you girl
G Am
And I could hold you if you just stood still

C F G
I jaywalk through this town
C F G
I drop leaves on the ground
F
But lonely people here
Em
Just gaze their eyes on air
Dm
And miss the autumn roar

C F G
I roam through traffic lights
C F G
I fade through Christmas nights
F

I wanna set it straight

Em

I wanna make it right

Dm

But man you re so far away

C **Am** **G** **C**
Oh, I ll hold still for a moment so you ll find me

Am **G** **F**
You re so close, I can feel you all around me boy

G **C G Em F**
I know you re somewhere out there

C G Em F
I know you re somewhere out there

(**C G Em F**)

(**Em Dm**)

C **F** **G** **C**
Oh, hold still for a moment and I ll find you

F **G** **Am**
You re so close, I can feel you all around me girl

F **G** **C G Em F**
And I could hold you if you just stood still

G **C**
Oh, I ll hold still for a moment so you ll find me

F **G** **Am**
I m so close, I m a small step behind you girl

F **G** **Am C Em C**
I know you re somewhere out there

F **G** **Am C Em C**
I know you re somewhere out there

F **G** **C**
I know you re somewhere out there
