

I Would Have Gone And Loved You Anyway
David Fonseca

Awesome song as part of David Fonsecas first part of his seasons albums.
Has a very summer feel to it and I couldn t figure out the chords for the
longest
time, really simple and a fun song to sing.

Intro: **Em**, D, G
Verse: **Em**, D, G
Chorus: **C**, D, G

Em D G
It sounded just like a love affair
Em
We wrote it in touch screens
D G
All those things that you made me swear
Em
You meant it though,
D G
â€œYouâ€™ll make it happen. When will we go?â€•
Em
But your words got lost in laughter
D G
I let you down but you should know

C
We were together
D G
Why do we always hurt the ones we love?
C
If only I had a chance
D G
Yeah I would be the first to let you know
C
Now can you still hear me?
D G
I would have gone and loved you anyway
C
Across those darkest hours
D G
If I could only bring you back again

And I could tell there was something wrong,
You were drawing by numbers

I called you earlier but your phone was off
So while the world was waiting,
You were already miles away from home
Running as fast as you could,
I guess there was nothing no one couldâ€™ve done

We were together
Why do we always hurt the ones we love?
If only I had a chance
Yeah I would be the first to let you know
Now can you still hear me?
I would have gone and loved you anyway
Across those darkest hours
If I could only bring you back again
To be with you again
