

**I Would Have Gone And Loved You Anyway**  
**David Fonseca**

Awesome song as part of David Fonsecas first part of his seasons albums.  
Has a very summer feel to it and I couldn t figure out the chords for the  
longest

time, really simple and a fun song to sing.

Intro: **Fm, Eb, G#**

Verse: **Fm, Eb, G#**

Chorus: **C#, Eb, G#**

**Fm** **Eb** **G#**

It sounded just like a love affair

**Fm**

We wrote it in touch screens

**Eb**

**G#**

All those things that you made me swear

**Fm**

You meant it though,

**Eb**

**G#**

â€œYouâ€™ll make it happen. When will we go?â€•

**Fm**

But your words got lost in laughter

**Eb**

**G#**

I let you down but you should know

**C#**

We were together

**Eb**

**G#**

Why do we always hurt the ones we love?

**C#**

If only I had a chance

**Eb**

**G#**

Yeah I would be the first to let you know

**C#**

Now can you still hear me?

**Eb**

**G#**

I would have gone and loved you anyway

**C#**

Across those darkest hours

**Eb**

**G#**

If I could only bring you back again

And I could tell there was something wrong,  
You were drawing by numbers

I called you earlier but your phone was off  
So while the world was waiting,  
You were already miles away from home  
Running as fast as you could,  
I guess there was nothing no one couldâ€™ve done

We were together  
Why do we always hurt the ones we love?  
If only I had a chance  
Yeah I would be the first to let you know  
Now can you still hear me?  
I would have gone and loved you anyway  
Across those darkest hours  
If I could only bring you back again  
To be with you again
