

I Would Have Gone And Loved You Anyway
David Fonseca

Awesome song as part of David Fonsecas first part of his seasons albums.
Has a very summer feel to it and I couldn t figure out the chords for the
longest
time, really simple and a fun song to sing.

Intro: **Ebm, C#, F#**

Verse: **Ebm, C#, F#**

Chorus: **B, C#, F#**

Ebm **C#** **F#**

It sounded just like a love affair

Ebm

We wrote it in touch screens

C# **F#**

All those things that you made me swear

Ebm

You meant it though,

C# **F#**

â€œYouâ€™ll make it happen. When will we go?â€•

Ebm

But your words got lost in laughter

C# **F#**

I let you down but you should know

B

We were together

C# **F#**

Why do we always hurt the ones we love?

B

If only I had a chance

C# **F#**

Yeah I would be the first to let you know

B

Now can you still hear me?

C# **F#**

I would have gone and loved you anyway

B

Across those darkest hours

C# **F#**

If I could only bring you back again

And I could tell there was something wrong,
You were drawing by numbers

I called you earlier but your phone was off
So while the world was waiting,
You were already miles away from home
Running as fast as you could,
I guess there was nothing no one couldâ€™ve done

We were together
Why do we always hurt the ones we love?
If only I had a chance
Yeah I would be the first to let you know
Now can you still hear me?
I would have gone and loved you anyway
Across those darkest hours
If I could only bring you back again
To be with you again
