

**I Would Have Gone And Loved You Anyway**  
**David Fonseca**

Awesome song as part of David Fonsecas first part of his seasons albums.  
Has a very summer feel to it and I couldn t figure out the chords for the  
longest  
time, really simple and a fun song to sing.

Intro: **F#m, E, A**

Verse: **F#m, E, A**

Chorus: **D, E, A**

**F#m** **E** **A**  
It sounded just like a love affair

**F#m**  
We wrote it in touch screens

**E** **A**  
All those things that you made me swear

**F#m**  
You meant it though,  
**E** **A**  
"You"ll make it happen. When will we go?"

**F#m**  
But your words got lost in laughter

**E** **A**  
I let you down but you should know

**D**  
We were together

**E** **A**  
Why do we always hurt the ones we love?

**D**  
If only I had a chance

**E** **A**  
Yeah I would be the first to let you know

**D**  
Now can you still hear me?

**E** **A**  
I would have gone and loved you anyway

**D**  
Across those darkest hours

**E** **A**  
If I could only bring you back again

And I could tell there was something wrong,  
You were drawing by numbers

I called you earlier but your phone was off  
So while the world was waiting,  
You were already miles away from home  
Running as fast as you could,  
I guess there was nothing no one couldâ€™ve done

We were together  
Why do we always hurt the ones we love?  
If only I had a chance  
Yeah I would be the first to let you know  
Now can you still hear me?  
I would have gone and loved you anyway  
Across those darkest hours  
If I could only bring you back again  
To be with you again
