

Its Just A Dream
David Fonseca

Intro: (**Asus2 E**)4x

E **A** **E**
You say my dreams, they make you worry
A **E**
Iâ€™m wishing things that are too far for us to hope
C#m **A** **E** **A** **E**
You pull me close and whisper softly how much you love me
B **E**
And I hold you right back

A **E**
You say my dreams, they make you wonder
A **E**
Iâ€™m wishing things not even angels could hope for
C#m **A** **E**
And youâ€™re afraid that Iâ€™ll become a drifter
A **E** **B**
Away from whatever became of our love

A
But baby when I dream
C#m
I do get lost in it
A
I fall into the places you refuse to see
C#m **B**
and theyâ€™re beautiful and free
A **C#m**
Oh when I dream, my hearts it goes on fire
B
And I donâ€™t wanna hide it
How could you deny it?

E
Itâ€™s just a dream
A
Itâ€™s just a dream
C#m
Itâ€™s just a dream
B
Itâ€™s just a dream
A
Itâ€™s just a dream
C#m
Itâ€™s just a dream

Underneath this stillness
