

U Know Who I Am  
David Fonseca

**G** **Gsus2/F#**  
Yeah, I've walked through dangers  
**Em7** **Cadd9** **G** **Gsus2/F#** **Em7 C9**  
I've talked to strangers but they didn't, didn't understand  
**G** **Gsus2/F#** **Em7** **Cadd9**  
When the world seems senseless, it's me and you against them  
**G** **Gsus2/F#** **Em7 Cadd9**  
And I love you 'cause you know who I am

**Cadd9** **G/B** **A7sus4**  
All you dreamers keep dreaming  
**Cadd9** **G/B** **A7sus4**  
Let those dreams rise into the light  
**Cadd9** **G/B** **A7sus4**  
Go find someone who loves you, to live those dreams through  
**Cadd9** **G/B** **A7sus4**  
Don't you go get swallowed by the night

**G** **Gsus2/F#**  
I've walked the stages  
**Em7** **Cadd9** **G** **Gsus2/F#** **Em7 Cadd9**  
I've read the pages and never, never reached the end  
**G** **Gsus2/F#** **Em7** **Cadd9**  
All the world seems senseless, you're here with me against them  
**G** **Gsus2/F#** **Em7 Cadd9**  
And I love you 'cause you know who I am

**Cadd9** **G/B** **A7sus4** **G/B**  
Deep inside every soul  
**Cadd9** **G/B** **A7sus4**  
There's a sadness on the verge of climbing through  
**Cadd9** **G/B** **A7sus4**  
Now don't you try and fix it, why would you do that?  
**Cadd9** **G/B** **A7sus4**  
How beautiful when sadness turns to song

**G** **Gsus2/F#**  
And I'll walk through dangers  
**Em7** **Cadd9** **G** **Gsus2/F#** **Em7 Cadd9**  
I'll, I'll dance with strangers but they will never understand  
**G** **Gsus2/F#** **Em7** **Cadd9**  
We'll never be defenseless, we'll win this war against them  
**G** **Gsus2/F#** **Em7 Cadd9**  
Don't you doubt this, yeah I'm sure we can  
**G** **Gsus2/F#** **Em7 Cadd9**

And who cares if they never understand

**G** **Gsus2/F#**

And I love you 'cause you know who I am
