

Playing On My Guitar
David Gates

[Intro] Bm E Bm E

Bm E
By the sand and fire light
Bm E
While watching the fallin star
Bm E
Came a lady from the night
G A B
Who started playin on my guitar
Bm E
She was like a melody
Bm E
That no one had ever heard
Bm E
When she sang her magic song
G A B
I had to listen to every word

Em A
But she made me see
Em A
Like I never had before
Em A
Don t you know she set me free
Em A
Like I never been before
Am D
Don t you know the girl could sing
Am
And I thought of what the future
B
Would bring

Bm E
By the stars and fire light
Bm E
The music was sweet and clear
Bm E
Though I had her to myself
G A B
I was afraid someone else would hear
Bm E
Soon the others heard her playin
Bm E
And started to gather round
