SONg Title : Cryin Shame
Artist : Johnny Diesel
Album : Chryslian (something similar anyway)

Johnny Diesel is a great Australian artist. He music varies from slow jazz to funky blue to pure rock. It surprises that noone has tabbed any of his music. It is probably because he doesn t get as much recognition overseas as he does in Australia. Even then he is not on the TIP OF MY TONGUE when you ask me who my favourite Australian artist. He is in fact my favourite Australian artist. Johnny just doesn t get much publicity (bad management). Anyway enough crap...here is Cryin Shame!

As with any song, unless you know the song or listen to it...you won t be able to play it properly or make sense of what I have written!

How did I know there was gonna be a war
Words of sorrow and words of spite
Ringing in my head right through the night

Don t you know its a cryin shame
Well you got yourself to blame
Don t you know its a cryin shame
oohhhhhh oohhh!!

Verse 2 (V.C.P.)

Woke up this morning and its raining again
Stop and wondered if its somethin I said
Words of sorrow and words of spite
Ringing in my head right through the night

Repeat Chorus (**C.C.P.**)

cry cry cry cryin shame

cry cry cry cryin shame

Solo - play solo over following progressions using saxophone!

Verse 3 (V.C.P)

I was up all night with a conscience fight

Just couldn t sleep so I put on the light

Sheets so wet when I was out in sweat

Mommas gotta cure but it ain t in you

Repeat Chorus

- a couple of times using first section of chord
progression before ending chorus and smoothly sliding into the outro

This is not perfect as I haven t listened to song in a while but I ll
guarantee its pretty bloody close to it!

I d love to see more Johnny Diesel tabbed and put on the olga just
quitely!
